## Be a sponsor

- Has your company been rewarded with the **well-established name and reputation** which years of effort and thriving for quality, expertise and customer satisfaction has merited?
- Are you also part of the **few selected organisations** that have developed **sufficient insight** to know that the “*sheer profit-based approach*” **is not enough for you and your company in the long run?**
- Are you **one of the pioneers** that has the **clear vision and knowledge** that **children are our future** and wants to “invest” in it?

If any of these questions applies to your organisation and you want to have:

- a) the pleasant and responsible feeling of **creating a better, safer and brighter future for all our children;**
- b) a **guaranteed “Return on Investment”** in knowing that because of your support, you are saving children from poverty and the streets;
- c) the rewarding **image benefit** of your organisation acting as a “**Force for Good**” and want **your commitment widely spread and communicated** far beyond your country borders:

**Then you should support the  
European Foundation for Street Children Worldwide (EFSCW)**
